

GENERAL TERMS OF PURCHASE (GTP)

1. CONTROLLING DOCUMENTS.

These terms and conditions of purchase (these "Terms") are incorporated and made part of a Contract (herein so called) consisting of: (a) a signed purchase order ("Order") generated by Dysol SOCOMORE ("Purchaser") identifying Supplier (herein so called) and containing key business terms, including the materials being purchased (collectively "Goods") and referencing these Terms; (b) these Terms; and (c) any other attachments identified in the Contract or Order, specifically including, but not limited to, Buyer's Procurement Quality Requirements (which are reproduced as Exhibit A hereto).

2. ACCEPTANCE OF TERMS AND CONDITIONS.

THE CONTRACT CONSTITUTES THE SOLE AND ENTIRE AGREEMENT OF PURCHASER AND SUPPLIER (COLLECTIVELY, THE "PARTIES") WITH RESPECT TO THE SUBJECT MATTER OF THE ORDER, AND SUPERSEDES ALL PRIOR OR CONTEMPORANEOUS UNDERSTANDINGS, AGREEMENTS, NEGOTIATIONS, REPRESENTATIONS AND WARRANTIES, AND COMMUNICATIONS, BOTH WRITTEN AND ORAL, WITH RESPECT TO THE SUBJECT MATTER OF THE ORDER. THE ORDER EXPRESSLY LIMITS SUPPLIER'S ACCEPTANCE TO THE TERMS OF THE ORDER. THESE TERMS PREVAIL OVER ANY TERMS OR CONDITIONS CONTAINED IN ANY OTHER DOCUMENTATION AND EXPRESSLY EXCLUDE ANY OF SUPPLIER'S GENERAL TERMS AND CONDITIONS OF SALE OR ANY OTHER DOCUMENT ISSUED BY SUPPLIER IN CONNECTION WITH THE ORDER. These Terms apply to any repaired or replacement Goods provided by Supplier hereunder. The Order is not binding on Purchaser, and no Contract is created, until Supplier accepts the Order in writing or starts to perform in accordance with the Order. If Supplier does not accept the Order in writing or provide written notice that it has commenced performance within two (2) business days of Supplier's receipt of the Order, the Order will lapse. Purchaser may withdraw the Order any time before it is accepted by Supplier.

3. AMENDMENT AND MODIFICATION.

No change to an Order is binding upon Purchaser unless it is in writing, specifically states that it amends the Order, and is signed by an authorized representative of Purchaser.

4. DELIVERY DATE.

Supplier will deliver the Goods in the quantities and on the date(s) specified in the Order or as otherwise agreed in writing by the Parties (each, a "Delivery Date"). Timely delivery of the Goods is of the essence. If Supplier fails to deliver Goods in full on the relevant Delivery Date, Purchaser may terminate the Order immediately by providing written notice to Supplier, and Supplier will indemnify Purchaser against any losses, claims, damages, and reasonable costs and expenses directly attributable to Supplier's failure to deliver the Goods on the Delivery Date.

5. DELIVERY LOCATION.

All Goods will be delivered to the address specified in the Order (the "Delivery Location") during Purchaser's normal business hours or as otherwise instructed by Purchaser.

6. SHIPPING TERMS.

Delivery will be made in accordance with the terms on the face of the Order. Supplier will give written notice of shipment to Purchaser when the Goods are delivered to a carrier for transportation. Supplier will provide Purchaser all shipping documents, including the commercial invoice, packing list, air waybill, bill of lading and/or any other documents necessary to release the Goods to Purchaser on the same day Supplier delivers the Goods to the transportation carrier. The Order number must appear on all shipping documents, shipping labels, bills of lading, air waybills, invoices, correspondence and any other documents pertaining to the Order.

7. PACKAGING.

All Goods will be packed for shipment according to Purchaser's instructions or, if there are no instructions, in a manner sufficient to ensure that the Goods are delivered in undamaged condition. Supplier must provide Purchaser with prior written notice if it requires Purchaser to return any packaging material, and any return of such packaging material will be made at Supplier's expense.

8. INTERNATIONAL SUPPLIER CUSTOMS REQUIREMENTS.

If Supplier is located outside of the U.S., Supplier shall comply with such additional requirements as are applicable to the shipment of the Goods in accordance with customs laws and/or as are submitted to Supplier by Purchaser in writing.

9. QUANTITY.

Purchaser may reject all or any excess Goods. Any such rejected Goods will be returned to Supplier at Supplier's risk and expense.

10. INSPECTION AND REJECTION OF NONCONFORMING GOODS.

Purchaser has the right to inspect the Goods on or after the Delivery Date. Purchaser, at its sole option, may inspect all or a sample of the Goods, and may reject all or any portion of the Goods if it determines the Goods are nonconforming or defective. If Purchaser rejects any portion of the Goods, Purchaser has the right, effective upon written notice to Supplier, to: (a) rescind the Order in its entirety; (b) accept the Goods at a reasonably reduced price; or (c) reject the Goods and require replacement of the rejected Goods. If Purchaser requires replacement of the Goods, Supplier will, at its expense, promptly replace the nonconforming Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective goods and the delivery of replacement Goods. If Supplier fails to timely deliver replacement Goods, Purchaser may replace them with goods from a third party and charge Supplier the cost thereof and terminate the Order for cause pursuant to Section 21. Any inspection or other action by Purchaser under this Section 10 will not reduce or otherwise affect Supplier's obligations under the Order, and Purchaser will have the right to conduct further inspections after Supplier has carried out its remedial actions.

11. PRICE.

The Price (herein so called) of the Goods is the price stated in the Order. If no price is included in the Order, the Price will be the price set out in Supplier's published price list in force as of the date of the Order. If there is a consignment agreement in place between Purchaser and Supplier, then the pricing contained in agreement will apply. No increase in the Price, whether due to increased material, labor or transportation costs or otherwise, shall be effective without Purchaser's prior written consent. No Price increase will be effect unless Purchaser has been given at least 30 days' written notice.

12. MOST FAVORED CUSTOMER.

Supplier represents and warrants that the price for the Goods is the lowest price charged by Supplier to any of its external customers for similar volumes of similar Goods. If Supplier charges any customer other than Purchaser a lower price, Supplier must apply that price to all Goods under the Order. If Supplier fails to meet the lower price, Purchaser, at its option, may terminate the Order without liability pursuant to Section 21.

13. PAYMENT TERMS.

Supplier will issue an invoice to Purchaser on or any time after the completion of delivery and only in accordance with the Terms. Purchaser will pay all properly invoiced amounts due to Supplier in accordance with the payment terms set forth in the Order, except for any amounts disputed by Purchaser in good faith. All payments hereunder must be in U.S. dollars, unless otherwise indicated in the Order. In the event of a payment dispute, Purchaser will deliver a written statement to Supplier prior to the date payment is due on the disputed invoice listing all disputed items and providing a reasonably detailed description of each disputed item.

14. SETOFF.

Without prejudice to any other right or remedy it may have, Purchaser reserves the right to set off at any time any amount owing to it by Supplier against any amount payable by Purchaser to Supplier.

15. WARRANTIES.

Supplier warrants to Purchaser that for a period of twelve (12) months from the Delivery Date, all Goods will: (a) be free from any defects in workmanship, material and design; (b) conform to applicable specifications, drawings, designs, samples and other requirements specified by Purchaser; (c) be fit for their intended purpose and operate as intended; (d) be merchantable; (e) be free and clear of all liens, security interests or other encumbrances; and (f) not infringe or misappropriate any third party's patent or other intellectual property rights. These warranties survive any delivery, inspection, acceptance or payment of or for the Goods by Purchaser. These warranties are cumulative and in addition to any other warranty provided by law or equity. Any applicable statute of limitations runs from the date of Purchaser's discovery of the noncompliance of the Goods with the foregoing warranties. If Purchaser gives Supplier notice of noncompliance with this Section 15, Supplier will, at its own cost and expense, replace or repair the defective or nonconforming Goods and pay for all related expenses, including, but not limited to, transportation charges for the return of the defective or nonconforming goods to Supplier and the delivery of repaired or replacement Goods to Purchaser.

16. GENERAL INDEMNIFICATION.

Supplier will not enter into any settlement with respect to any Losses without the prior written consent of the relevant Indemnitees.

17. INTELLECTUAL PROPERTY INDEMNIFICATION.

Supplier will, at its expense, defend, indemnify and hold harmless Purchaser and any other Indemnitee against any and all Losses arising out of or in connection with any claim that Purchaser's or another Indemnitee's use or possession of the Goods infringes or misappropriates the patent, copyright, trade secret or other intellectual property right of any third party. In no event will Supplier enter into any settlement with respect to any such Losses without the prior written consent of the relevant Indemnitees.

18. INSURANCE.

If requested by Purchaser, Supplier will, at its own expense, maintain and carry insurance in full force and effect which includes, but is not limited to, commercial general liability (including product liability) in a sum no less than \$1,000,000 per occurrence with financially sound and reputable insurers. Upon Purchaser's request, Supplier will provide Purchaser with a certificate of insurance from Supplier's insurer evidencing the insurance coverage specified in the Order. The certificate of insurance will name Purchaser as an additional insured. Supplier will provide Purchaser with fifteen (15) days' advance written notice in the event of a cancellation or material change in Supplier's insurance policy. Except where prohibited by law, Supplier will require its insurer to waive all rights of subrogation against Purchaser's insurers and Purchaser and any other Indemnitees.

In addition, Supplier shall provide any information requested by Purchaser with respect to the origin of minerals used in the goods, including but not limited to information required pursuant to 12 U.S.C. §1502 and associated United States Securities and Exchange Commission rules.

21. TERMINATION.

Purchaser may terminate the Order, in whole or in part, at any time with or without cause for undelivered Goods if Supplier does not meet the Delivery Date set forth in the Order on five (5) days' prior written notice to Supplier. In addition to any remedies that may be provided under these Terms, Purchaser may terminate the Order with immediate effect upon written notice to the Supplier, either before or after the acceptance of the Goods, if Supplier has not performed or complied with any of these Terms, in whole or in part. If the Supplier becomes insolvent, files a petition for

bankruptcy or commences or has commenced against it proceedings relating to bankruptcy, receivership, reorganization or assignment for the benefit of creditors, then Purchaser may terminate the Order upon written notice to Supplier. If Purchaser terminates the Order for any reason, Supplier's sole and exclusive remedy is payment for the Goods received and accepted by Purchaser prior to the termination.

Nothing in the Order will exclude or limit (a) Supplier's liability under Sections 15, 16, 17 and 24 hereof, or (b) Supplier's liability for fraud, personal injury or death caused by its negligence or willful misconduct. Purchaser's maximum liability to Supplier will not exceed the greater the aggregate amount actually paid or payable under the Order.

Except as otherwise set forth in the Order, no failure to exercise, or delay in exercising, any rights, remedy, power or privilege arising from the Order will operate or be construed as a waiver thereof, nor will any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.

24. CONFIDENTIAL INFORMATION.

All non-public, confidential or proprietary information of the Purchaser, including, but not limited to, specifications, samples, patterns, designs, plans, drawings, documents, data, business operations, customer lists, pricing, product road maps, discounts or rebates, disclosed by Purchaser to Supplier, whether disclosed orally or disclosed or accessed in written, electronic or other form or media, and whether or not marked, designated or otherwise identified as "confidential," in connection with the Order is confidential, solely for the use of performing the Order and may not be disclosed or copied unless authorized by Purchaser in writing. NEITHER THE PROVISIONS OF THE UNITED NATIONS CONVENTION ON CONTRACTS FOR THE INTERNATIONAL SALE OF GOODS NOR THE PROVISIONS OF THE UNITED NATIONS CONVENTION ON THE LIMITATION PERIOD IN THE INTERNATIONAL SALE OF GOODS WILL APPLY TO THE ORDER.
